Application No. 10/058,229

Docket No. 300200286-3 (1509-266)

REMARKS

The objections to the claims set forth on page 2, item 1, have been noted and the changes to claims 3, 16 and 21 have been made as suggested. Claims 29, 37, 38 and 39 have been canceled because of lack of antecedent basis for the words "the generation subsystem." Applicants have also modified claim 48 for clarity. Consequently, entry of the amendment is in order. The Appeal Brief has been prepared based on the presumption that the foregoing amendment will be entered.

Respectfully submitted,

Stephen John HINDE
